

Vaccine Requirements

At Zoomiez, the health and safety of your pets are our top priority.

To ensure a safe environment for all, we require the following four major vaccines to be up to date before booking an appointment:

 Rabies

 Leptospirosis

 Bordatella

 Distemper/Parvo

These vaccinations protect both your beloved pets and others during their visit.

Vaccine records will be required prior to your Zoomiez session to confirm that your pet meets these health requirements.

Medical Exemptions

We understand that some pets may have medical conditions that prevent them from receiving certain vaccinations. If this applies to your pet, please provide a veterinary note or email from your vet explaining the exemption so we can keep it on file.
